PBS KIDS EDCAMP ON EARLY LEARNING; LED BY WEPOWER SOLUTION TEAMS

Saturday, October 19, 2019 at 8:30 AM – 12:30 PM
Nine Network of Public Media, 3655 Olive Street

Early Childhood Education (ECE) Solution Teams are teaming up with PBS KIDS Edcamp this year. The 60+ Solution Team members have developed recommendations on how to address the St. Louis region's top ECE problems. At EdCamp, they'll unveil their ideas and plans for implementation across five focus areas—Quality, Workforce, Funding & Access, Governance & Coordination, and Family Well-Being. Parents, educators, center directors, school leaders... join in—we're seeking your feedback and insight!

Participants are eligible for 2.5 professional development clock hours for both Missouri and Illinois. This PBS KIDS caregiver and educator experience is free and includes materials, two meals, childcare, and giveaways.
