### REGISTRATION

Registration forms can be brought to the YMCA Branch Service Center at the branch that the child care will be held.

At all First Responders and Emergency Medical Personnel locations, all registrations must be accompanied by a current hospital or first responder ID.

Registrations can also be taken over the phone. Forms must be filled out and waivers signed prior to the child attending, or at drop-off.

Children with current IEP, Behavior Intervention or 504 Plans will require additional Inclusion Services Paperwork to be completed, received and reviewed prior to attendance.

Additional forms will be required for enrollment of children with medical conditions and a copy of court custody papers.

### WELLNESS CHECKS

The following preventative measures have been implemented at all child care facilities:

- Daily health checks will be completed upon arrival for all children. If child care is denied we will require the child to have a doctor's note to return to the center.
- According to the CDC, if a child's temperature is 100°F or higher (or 99°F or higher as taken under the armpit), they have a fever and care will be denied.
- Children must be fever-free (without the use of fever-reducing medicine) for the last 72 hours.
- Answering "yes" to specific questions related to travel, sickness, or contact with individuals under quarantine or with a confirmed case of COVID-19 may cause denial of care.
- A YMCA staff member will escort children into the center. Parents/guardians will not be allowed past a certain checkpoint. You will sign in/out at the designated location. Visitor access to the center will be restricted.

**We never turn away due to the inability to pay.** The Y will be offering Financial Assistance. Contact the branch for information.
